INSTALLATION WARRANTY

Ardicon Group warrants to the ORIGINAL HOMEOWNER PURCHASER of INSTALLATION SERVICES, that it will, without charge to the purchaser, provide necessary parts or exchange and labor, at its option, any window or door determined to be defective in installation workmanship for 1 year after the installation date. The purchaser will be responsible for transportation charges should any occur. Should the product in question be determined to be defective in material, Ardicon Group will assist with connecting purchaser with Manufacturer. All purchasers must register upon final payment for their warranty guarantee.

Proper maintenance is required to keep all warranties valid.
